Rotary International's attendance rules state that each member maintains a 50% attendance during each 6 month period from July 1 to Dec 31 and January 1 to June 30 and that 25% of that 50% be at your own club.

A Leave of Absence may be what is needed if you are unable to attend for a specific amount of time and for a specific reason. Your Board of Directors approves these Leaves of Absence. Please send a letter or email to the Board with the beginning and ending date of the requested leave and why you need this leave. During a leave of absence you are encouraged to attend whenever possible and your dues remain the same as all other members.
